I used to be able to do my research ahead of time...
it's probably trying to make this a hand-to-hand battle! I'll use this net to make it harder to it to get close
Considering its stance and footwork
"Electro-web"!!
I gotta find out on the fly!!

Keep it up and you may eventually find out how to beat it
Collect more information while you fight
Good job, Black!
Bug-type moves don't work
Even though it was a direct hit, it wasn't effective!
Be careful!
It's all over if one of your Pokemon faints...!
you may get defeated before then!
